

[Implementation of fuzzy similarity methods for manipulative hand posture evaluation](#)

[CV Baysal - Systems Man and Cybernetics \(SMC\), 2010 IEEE ...](#), [2010 - ieeexplore.ieee.org](#)

Abstract-In this paper, an implementation of fuzzy similarity methods for model based manipulative hand postures is presented. The model used to represent manipulative hand postures is based on a human hand kinematical model. In the model, the posture is ...
